

20x8ft CUSTOM SHIPPING CONTAINER CONVERSION

Portable Building Garden Office

LEN-P-000987

This is a custom conversion, not a stock item. The 20 x 8 ft shell shown here has been fitted out as a garden office, and because each build is produced individually, layout and specification stay open while the steel container structure does the structural work. The combination on this model is modern glazing, high-performance insulation, and a refined internal.

20 X 8 FT STANDARD SHIPPING
CONTAINER

, or

20 X 8 FT HIGH CUBE SHIPPING
CONTAINER

, which raises the internal height

1 X FIXED DOUBLE-GLAZED LARGE
PANEL WINDOW

, 2100 x 2200 mm, supply and install

A CLOSER LOOK

APPLICATION & FIT

Site accommodation, workspace or the stated building use

Selection checks: Check external footprint, usable internal layout and door orientation.; Plan foundations or supports, lifting access and utility connections.; Confirm local site permissions and any project-specific engineering requirements..

Is the unit ready for immediate occupation?

Suitability depends on the stated fit-out, prepared supports, services and any approvals required for your site. Check those items before arranging delivery.

What should I prepare for delivery?

Provide the delivery ZIP code, access dimensions, ground conditions, placement position and lifting arrangements. Keep the unloading and placement area clear.

How are delivery and after-sales terms confirmed?

Delivery charges, availability, return conditions and warranty coverage follow the current company policies and the confirmed order. Use the product reference when contacting the sales desk.
