A CLOSER LOOK

APPLICATION & FIT

Site accommodation, workspace or the stated building use

Selection checks: Check external footprint, usable internal layout and door orientation.; Plan foundations or supports, lifting access and utility connections.; Confirm local site permissions and any project-specific engineering requirements..

Is the unit ready for immediate occupation?

Suitability depends on the stated fit-out, prepared supports, services and any approvals required for your site. Check those items before arranging delivery.

What should I prepare for delivery?

Provide the delivery ZIP code, access dimensions, ground conditions, placement position and lifting arrangements. Keep the unloading and placement area clear.

How are delivery and after-sales terms confirmed?

Delivery charges, availability, return conditions and warranty coverage follow the current company policies and the confirmed order. Use the product reference when contacting the sales desk.
