

32 X 10FT CABINS / CABINS

CABIN STACK TWO 32x10ft Cabins Office Canteen Drying Room Internal Staircase Portable Building Kitchenette

LEN-P-001002

Two 32 x 10 ft cabins, stacked and structurally joined, with a staircase inside linking the levels. The result is a two-story anti-vandal modular building holding an office, a canteen and a drying room without adding to the ground footprint. Condition is professionally refurbished. Exterior color is white.

CONSTRUCTION

steel, anti-vandal, made for hard site conditions

DOOR

1 anti-vandal steel door, locking keys supplied

WINDOWS

5 external windows, bringing in daylight and ventilation

A CLOSER LOOK

APPLICATION & FIT

Access to raised cabins and modular buildings

Selection checks: Match landing height, tread count and the cabin connection.; Check stair width, handrails, fixing points and the prepared base.; Use the dimensional drawing for the selected variant before installation..

Which size should I select?

Select the tread count and landing height for the exact installation. The dimensional drawing and fixing arrangement should match the cabin and site.

Is this a complete installed access system?

The product listing describes the staircase assembly. Confirm foundations, delivery, lifting and installation responsibilities before ordering.

How are delivery and after-sales terms confirmed?

Delivery charges, availability, return conditions and warranty coverage follow the current company policies and the confirmed order. Use the product reference when contacting the sales desk.
